

# PUMP EXCHANGE PROGRAM

BRINGING LIFE BACK TO YOUR MACHINERY

Hydrotech's pump exchange program can significantly shorten your downtime from weeks, to days, or even hours.

### STEP 1

If you have a pump that fails, simply call Hydrotech Service and we will ship a replacement.

### STEP 2

Upon receiving the new pump, put the old pump in the same package, and ship it back to us.

### STEP 3

Hydrotech will refurbish the pump, and will hold onto it the next time you need it. That's it!
